Medical/Counseling Urgent or After Hours Care

Emergency Care:

If this is a life threatening or serious issue (chest pain, shortness of breath or heart palpitations, and for all other emergencies) call DPS Emergency at 323-442-1000 or dial 911.

Urgent Needs:

During business hours, please call (323) 442-5631 or walk-in to the Eric Cohen Student Health Center and you will be scheduled in the next available appointment. After hours, please call the After-Hours Nurse at 323-442-5631.

PLEASE NOTE: This system will display confidential medical information. Access to this website is password-protected and all messages are encrypted to ensure the confidentiality of your health information.

For Text Message Appointment Reminders: The ECSHC offers text messaging service that allows you to receive a text reminder about your upcoming appointment on your mobile device by opting in. Unfortunately, this feature is not guaranteed to work with all cell carriers. User acknowledges that, depending on the recipient's mobile provider service, it may not be possible to transmit the text message to the recipient successfully.

Please remember that standard charges for text messaging may apply, depending on your cell phone plan.

For more information about our health center, please visit our website [here](#).
